

Is your Scoreboard looking tired?

Before

After

Upgrade to a modern, reliable all electronic system with wireless remote control if required

Highly efficient LED technology with 120 degree visibility

A range of 15", 12", 10", 8" and 6" digits available so you can use mixed sizes for improved appearance

Fully Modular, only buy the digits you need - new digits can be added at any time in the future.

Intuitive, easy to use controller automatically increments the total when the batsman's score is increased.

Mistakes can be easily corrected..

Easy to install, DIY and save money or we will install it for you

Runs off a 12v battery or 240v mains power

Repeater scoreboards can easily be added to the system

Full 12 month back to base warranty - dedicated telephone support - service contracts available

Compatible with Total Cricket Scorer software

Cost effective - compare our price with the cost of replacing your old mechanical numbers

Give Your Scoreboard a make over
